Re: Appeal to have Guantanamo detainee Adnan Latif  
released

We are writing to you regarding Mr. Adnan Farhan Abdul Latif, a Yemeni, who has been wrongly incarcerated in Guantanamo without charge for nine years. He was arrested by the Pakistan military, where he was seeking medical treatment following a serious auto accident, and turned over to the American military in order to receive a bounty of \$5,000.

A federal judge granted Habeas Corpus petition to Mr. Latif and directed the Obama administration to “facilitate Latif’s release forthwith,” but the United States is “considering an appeal to the Court’s ruling.” However, Mr. Latif is still imprisoned and is on suicide watch in the psychiatric ward while the United States considers the appeal to the Court’s ruling.

We, the undersigned members of University Temple United Methodist Church, Seattle, WA., plead for you to take action to enable Adnan Latif’s immediate release
